15. TERMINATION FOR NON-APPROPRIATION OF FUNDS (*)

- A. Contractor acknowledges that funding for this Agreement is conditioned upon appropriation by the California Legislature and allocation by the Judicial Council of California of sufficient funds to support the activities described in this Agreement. By written notice to Contractor, the Court may terminate this Agreement, in whole or in part, at any time for lack of appropriation of funds, or other withdrawal, reduction or limitation in any way of the Court's budget, funding or financial resources. Contractor shall provide the Court with all Data within thirty (30) days of the Court's

written request. However, nothing in this Section 19 is intended to create any right in any person or entity to any Data that is covered by the attorney work-product doctrine.

Expenditures from the unallocated operating reserve shall follow the procedures set forth by the Board of Directors and shall be reflected in the financial information the Contractor furnishes to the Court.]
- D. Contractor shall notify the Court within forty-five (45) calendar days if any reserve required by this Section 20 falls below the applicable minimum level. Contractor shall include with the notification: (1) a detailed explanation of the reason(s) for the reduced reserve level and (2) a plan for specific operational change(s) to increase the reserve to the mandatory minimum level. Contractor shall not be deemed to be in breach of this Agreement if any reserve required by this Section 20 falls below the applicable minimum level if Contractor has implemented a plan to raise the applicable reserve to the minimum level within a reasonable period of time. For avoidance of doubt, any line of credit or similar instruments may be used to determine whether the reserves required under this Section 20 have been met.

21. PROPRIETARY OR CONFIDENTIAL INFORMATION OF THE COURT

- A. Contractor understands and agrees that, in the performance of the Services under this Agreement or in contemplation thereof, Contractor may have access to private or Confidential Information that may be owned or controlled by, or entrusted to, the Court, their personnel or constituents and that the disclosure of such information to Third Parties may be damaging to the Court. Contractor shall exercise the same standard of care to protect such information as Contractor uses to protect its own proprietary information and in any case, no less than a reasonably prudent person or entity would use to protect its own proprietary data.
- B. Notwithstanding the foregoing, Contractor may disclose the Confidential Information to the extent necessary to comply with any law, rule, regulation or ruling applicable to it or as appropriate to respond to any summons or subpoena applicable to it; provided, however, that Contractor has given reasonable prior notice of its intention to disclose in order to give the court an opportunity to seek a protective order.
- C. Contractor agrees that monetary damages are inadequate to remedy any breach or threatened breach of this provision and, accordingly, consents to injunctive relief for any breach or threatened breach hereof without the posting of any bond.

22. AUDIT AND RETENTION OF RECORDS

Contractor shall permit authorized representatives of the Court and/or its designee at any reasonable time to inspect, copy, or audit any and all records and documentation related to the performance of the Agreement, including records related to billings and other financial records. Without limiting the foregoing, the Court and/or its designee may conduct legal bill audits and law firm audits, as those terms are defined in Public Contract Code, section 10353.5(c). Contractor shall allow the auditor(s) access to such records during normal business hours and shall allow the auditor(s) to interview any employees or others who might reasonably have information related to such records. Further, Contractor agrees to include a similar right of the Court to audit records and interview staff in any subcontract related to performance of this Agreement. Contractor shall correct errors and deficiencies by the 20th day of the month following the audit. Contractor shall maintain all records and documentation related to the performance of this Agreement, including records related to billings and other financial records, in an accessible location and condition for a period of not less than four (4) years after final payment is received pursuant to this Agreement or until after final audit has been resolved, whichever is later.
