FOR THE **COUNTY OF SAN DIEGO**

CFCC-2016-10-RBB

PROPOSALS DUE:

1.0 BACKGROUND INFORMATION

1.1 BACKGROUND

The Judicial Council of California (JCC), chaired by the Chief Justice of California, is the chief policy making agency of the California judicial system. The California Constitution directs the JCC to improve the administration of justice by surveying judicial business, recommending improvements to the courts, and making recommendations annually to the Governor and the Legislature. The JCC also adopts rules for court administration, practice, and procedure, and performs other functions prescribed by law. The JCC staff assists both the council and its chair in performing their duties.

1.2 CENTER FOR FAMILIES, CHILDREN & THE COURTS

The JCC's Center for Families, Children & the Courts (CFCC) will coordinate this project. The CFCC focuses on juvenile and family projects that improve the lives of children through positive changes in the trial and appellate courts' handling of matters involving children and families.

The Child Support Commissioner and Family Law Facilitator Program (Assembly Bill 1058) is a mandated statewide program to expedite child support cases. The JCC administers it by adopting rules and forms, setting standards for the Office of the Family Law Facilitator, overseeing budget administration, and in other ways ensuring successful implementation of the program.

A cooperative agreement, number 10-0264-09, between the Department of Child Support Services (DCSS) and the JCC provides for two-thirds (2/3) funding originating from the federal government and Trial Court Improvement Funds provide the one-third (1/3) state match needed to conduct the quadrennial review. The Child Support Commissioner and Family Law Facilitator Program is charged with the oversight of the JCC's review of statewide uniform child support guidelines.

The fact sheet for the Child Support Commissioner and Family Law Facilitator Program (Assembly Bill 1058) is located at: <http://www.courts.ca.gov/documents/Child-Support-Fact-Sheet.pdf>

CFCC's web site is located at: <http://www.courts.ca.gov/programs-cfcc.htm>

1.3 REVIEW OF STATEWIDE UNIFORM CHILD SUPPORT GUIDELINE

California has adopted a child support guideline in compliance with federal law, 42 U.S.C. section 667(a). California Family Code, section 4054(a) provides that the "Judicial Council shall periodically review the statewide uniform guideline to recommend to the Legislature appropriate revisions." California's guideline is found at Family Code sections 4050–4076.

Federal law also requires that child support guidelines be reviewed by the state at least once every four years to "ensure that their application results in the determination of appropriate child support award amounts," as promulgated by 42 U.S.C. section 667(a).

The previous study can be found here: <http://www.courts.ca.gov/documents/review-sucsg-0611.pdf>

The federal and state requirements specify that the review must include an analysis of case data. One of the major reasons for conducting the case file review is to determine whether the guideline is being applied and the frequency of, and reasons for, deviation from the guideline.

For this portion of the study, the JCC seeks the services of an attorney currently licensed to practice law in California to be a case file reviewer with experience in family law and child support. The total cost for consultant services shall be no higher than \$55.00 per case reviewed.

2.0 DESCRIPTION OF SERVICES AND DELIVERABLE

TERM

The services in the **County of San Diego** are expected to be performed for a period ending February 28, 2017.

DESCRIPTION OF SERVICES

Federal and state requirements specify that the quadrennial child support guidelines review must include an analysis of case data. The case file review will help determine whether the guideline is being applied and the frequency of, and reasons for, deviation from the guideline.

To complete the case file data collection, the JCC seeks the services of attorneys currently licensed to practice law in California with experience in family law and child support. Contracted attorneys will review case files and complete an electronic data collection form for each casefile.
