NOTES:

- ¹ AOC provides graphic of state seal for inclusion in project.
- ² A&E Team coordinates for installation of owner equipment in construction documents.
- ³ Universal cable infrastructure serves data network, telephone, controls, security. Interfaces with building automation system.
- ⁴ Interior team selects, designs layout, and provides A&E coordination for furniture (free standing and modular) and storage units; installation .drawings/specifications to be provided by separate installers.
- ⁵ Not in A&E scope of work; however, full services demolition by Contractor of record.
- ⁶ Interior plants related to landscaping design (in interior spaces) by A&E team would be in scope of construction contract.
