16. Limitation on Judicial Council 's Liability

The Judicial Council will not be responsible for loss or damage to any non-Judicial Council equipment or property arising from causes beyond the Judicial Council's control. 19. Termination for Cause

- A. Pursuant to this provision, the Judicial Council may terminate this Agreement in whole or in part under any one (1) of the following circumstances, by issuing a written Notice of default to the Contractor:
- i. If the Contractor (a) fails to perform the Work within the time specified herein or any extension thereof, (b) fails to perform any of the other provisions of this Agreement, or (c) so fails to make progress as to endanger performance of this Agreement in accordance with its terms; or,

- F. The rights and remedies of either party provided in this provision shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

20. Termination Other Than for Cause

Upon the effective date of the termination Notice for convenience, the Contractor shall promptly discontinue all services affected unless the Notice specifies otherwise.

- B. If the Judicial Council terminates all or a portion of this Contract other than for cause, the Judicial Council will pay the Contractor for satisfactory services rendered before the termination, not to exceed the Contract Amount, unless otherwise set forth herein.
- C. The Judicial Council's right to terminate for convenience is in addition to the Judicial Council's rights to terminate under the Judicial Council's obligation subject to availability of funds provision or the termination for cause provision, as set forth herein.

21. Judicial Council's Obligation Subject to Availability of Funds

- A. The Judicial Council's obligation under this Agreement is subject to the availability of authorized funds. The Judicial Council may terminate the Agreement or any part of the Contract Work, without prejudice to any right or remedy of the Judicial Council, for lack of appropriation of funds. If expected or actual funding is withdrawn, reduced, or limited in any way prior to the expiration date set forth in this Agreement, or in any Amendment hereto, the Judicial Council may, upon written Notice to the Contractor, terminate this Agreement in whole or in part. Such termination shall be in addition to the Judicial Council's rights to terminate for cause or other than for cause, as set forth herein.

22. Survival

The termination or expiration of the Agreement shall not relieve either party of any obligation regarding audit/records retention, indemnification, limitation of liability, limitation on publication, ownership, warranty, and any other obligation that by its nature survives either termination or expiration of this Agreement.

23. California Law

This Agreement shall be subject to and construed in accordance with the laws of the State of California.

24. Severability

If any term or provision of this Agreement is found to be illegal or unenforceable, this Agreement shall remain in full force and effect and that term or provision shall be deemed stricken.

25. Waiver

The omission by either party at any time to enforce any default or right, or to require performance of any of this Agreement's terms, covenants, or provisions by the other party at the time designated, shall not be a waiver of the default or right, nor shall it affect the right of the party to enforce those provisions later.

Such assignment

shall be made and become effective at the time the Judicial Council tenders final payment to the Contractor. If the Judicial Council receives, either through judgment or settlement, a monetary recovery for a cause of action assigned under this section, the Contractor shall be entitled to receive reimbursement for actual legal costs incurred and may, upon demand, recover from the Judicial Council any portion of the recovery, including treble damages, attributable to overcharges that were paid by the Contractor but were not paid by the Judicial Council as part of the bid price, less the expenses incurred in obtaining that portion of the recovery. Upon demand in writing by the Contractor, the Judicial Council shall, within one year from such demand, reassign the cause of action assigned under this part if the Contractor has been or may have been injured by the violation of law for which the cause of action arose and (a) the Judicial Council has not been injured thereby, or (b) the Judicial Council declines to file a court action for the cause of action.
