

RFP Number: FIN-0206TC - Addendum No. 3
Statewide Copier Paper
Second Set of Questions and Answers

The following question was submitted to the AOC. The question and the AOC's response is set forth below.

QUESTION: Can you please help with ideas on DVBE vendors? Due to the fact that this is a single commodity I don't see any options of paper that is manufactured by DVBE suppliers. I have a few contacts that we can work through however I would like to use a DVBE vendor that the AOC is comfortable with. Do you have any DVBE suppliers that you have worked with in the past and would like to look into pairing up on this RFP?

ANSWER: The AOC does not recommend any specific disabled veteran business enterprises (DVBEs). For further information regarding DVBE resources, please contact the Office of Small Business and DVBE Certification, at 916-375-4940 or access DVBE information on the Executive Branch's Internet web site at <http://www.pd.dgs.ca.gov/smbus/default.htm>. As stated in the RFP, a vendor's proposals should demonstrate a "good faith effort" to identify DVBEs
