Judicial Council of California
Administrative Office of the Courts
Attn: Nadine McFadden, RFP No. CJER-SB10-06-SS
455 Golden Gate Avenue
San Francisco, CA 94102-3688

Project Title: Television Signal Transmission Services
RFP Number: CJER-SB10-06-SS
Addendum Number: 1

AOC Responses to Vendors' Questions

Question #1: Would it be possible to forward exact address of the AT&Ts Center Office (POP) in San Francisco? Please include floor location and telephone number.

Answer #1: Except for specifying the floor location, the following is the address for AT&T's Center Office (POP):

555 Pine Street
San Francisco, CA 94108
(415) 391-0599

Question #2: Is there already a vendor set up? Are there DVBE requirements?

Answer #2: RFP #CJER-SB10-06-SS has been issued to seek the qualified services of a vendor during the period requested, for there is no vendor set up for that period. The DVBE requirements are set forth in section 12.0 of the RFP; in accordance with section 4.5 of the RFP, proposers must submit Attachment 5, DVBE Participation Form, to demonstrate good faith efforts required.

Question #3: Per our Legal review, the following sections of RFP Attachment 2, Contract Terms, would need to be modified to determine our willingness to respond to the RFP. Please let us know if these are matters that can be negotiated.

Exhibit A, Standard Provisions, Paragraph #1, Indemnification: this provision would have to be modified, because we won't indemnify the State for failure of the service. Normally, we request indemnification from the customer.

Exhibit B, Special Provisions, Paragraph #17, Limitation on State's Liability: this provision would need to reflect our standard limitations requirements and Transmission Credits need to be the sole remedy for a transmission failure.

Exhibit B, Special Provisions, Paragraph #20, Service Guarantee: this provision would need to reflect our standard warranty requirements.

Answer #3: Given the nature of the concerns expressed, the sections may be negotiable. Proposers with similar concerns should include in their proposal proposed changes to applicable language by submitting a red-lined version of Attachment 2, Contract Terms, and written documentation to substantiate each such proposed change, via Attachment 3, Vendor's Acceptance of the RFPs Contract Terms, for the State's consideration, in accordance with RFP section 4.3.
